

PeeWee LTC

PURPOSE:

PeeWee LTC began in 2015 as an event designed for children ages 3 years old thru 2nd grade. GPLTC has always maintained a focus on 3rd-12th grade students, yet we are also fully aware that younger children are often present at the LTC Convention each year. Each year, dozens of children younger than 3rd grade are able to participate in a brief, exciting event, made just for them.

WHY PEEWEE LTC?

The goal of PeeWee LTC is to give younger children an opportunity to participate in something at the convention and to excite them about the opportunity to get involved in LTC in the future.

WHEN DOES PEEWEE LTC TAKE PLACE?

Doors will open for registration at 8:45am on Saturday of the LTC convention. The event takes place from 9:00am to 9:45am. At 9:45am, participants will be led to the stage in the Grand Ballroom for a 5-10 minute presentation.

At the conclusion of the presentation in the Grand Ballroom, children will return to the original location to be picked up by the appropriate adult (parent, coordinator, or adult representative).

WHAT DO THE CHILDREN DO AT PEEWEE LTC?

The goal of the event is to have children participate in things that are relevant to what 3rd-12th grade students do in LTC. There will be a craft, singing, Bible reading, and even some drama or acting.

HOW DO I REGISTER CHILDREN FOR PEEWEE LTC?

Upon check-in and registration Friday afternoon, church coordinators will receive an RSVP packet for PeeWee LTC in their congregation's folder. Each congregation wishing to participate will be asked to turn in an RSVP form to LTC Central by 10:00pm on Friday, indicating the number of children from their congregation that will be attending.

Children may also be registered at the door, as they enter the event. However, GPLTC requests that the majority of children be pre-registered by the 10:00pm deadline on Friday, to ensure that preparations are made for the appropriate number of children.

WILL SECURITY BE IN PLACE AT THE EVENT?

A uniformed security officer will be present, either at the door or in the room, throughout the event. Additionally, congregations with children participating in PeeWee LTC are required to have at least one adult present throughout the entirety of the event. Parents are also invited to remain in the room throughout the event.

As children arrive at PeeWee LTC, they will be given a lanyard and a name tag. Parents, or other adults dropping children off, will be given a specific ticket for each child, which will be required to pick up and take the child at the conclusion of the event.
